Dear Madame/Sir:

I am in support of Strong Net Neutrality backed by Title II oversight of ISPs. I am opposition to the proposal of Proceedings 17-108 which would strip about the protections we currently have. As a former Verizon Communications legal lawyer, Ajit Pai must distance himself from something he clearly has a conflict of interest in. He cannot make an impartial decision regarding communication standards and provides no factual evidence for why these protections should be stripped away.

Sincerely,

Sikandar Porter-Gill
